# Our layouts

## ATLANTIS Deluxe 695

Transverse bed

Beds 1400x2000 - 1300x1850

## ATLANTIS Special 645

Dinette Face to face

Beds 1400x1850 - 1400x1900

## ATLANTIS Compact 595

Dinette XL

Beds 1300x1850 - 900x1820

# Mission ATLANTIS

A **Camper** is not just a vacation, it is the most comfortable and efficient embrace to take you wherever you want, not just a journey but an **authentic adventure to be experienced with every breath**.

**ATLANTIS** is what we have envisioned through experience and passion; from this idea, our **semi-integral fiberglass monocoque motorhomes** are born, always on **AL-KO lowered chassis** with Fiat Ducato cab and customizable interiors.

The fiberglass monocoque is made of a versatile material that provides **lightness, strength, flexibility and durability over time**. Thanks to this technology, there are minimal joints, thus reducing the possibility of infiltration and thermal bridges between the interior and exterior. The AL-KO exclusive chassis is lightened, with a **lower center of gravity, stowability and independent wheel suspension**. It provides stability and strength due to the perfect joint between the chassis and cab. The combination of these elements, monocoque and AL-KO chassis, makes ATLANTIS vehicles **safe and high-performance, with superior ride and thermal performance**.

TECHNICAL DATA	
Living cell	Fiberglass monocoque
Drive cab	Fiat Ducato 9, 2.2 Multijet, 140 o 180 CV, Euro 6 Final, Manual or automatic transmission + <b>Telaio AL-KO</b>
Length	6950/6450/5950 mm
Width	2280 mm
Height	2950 mm
Gross weight	3500 Kg
Integrated awning	L400/L350/L300
Heating system	“Truma Combi 4 o 6” Gas or Diesel, o Alde opt.
Tanks	Insulated clear (min. 100Lt max 180Lt) and gray (min. 100Lt max 130Lt) water tanks
Floor	Lightweight and insulated <b>double floor</b>
Storage	Insulated heated and illuminated rear garage (main door 1180x700/750mm) - Capacity based on the layout
Drawer storage	Capacity based on the layout
Safety	Electronic access and central locking system
Compressor fridge	Lt 100, Lt 130 o Lt 140
Kitchen counter	2 or 3 burners / induction (opt)
Sockets	USB, 12V, 220V, TV socket
Systems	Roof wires predisposition for photovoltaic panels and TV SAT / <b>Standard rear camera</b>
Plus	Anodized flush hinges and main door carbon fiber handle
